

LeadRescue AI System

Stop Losing \$10,000 Installs to Voicemail

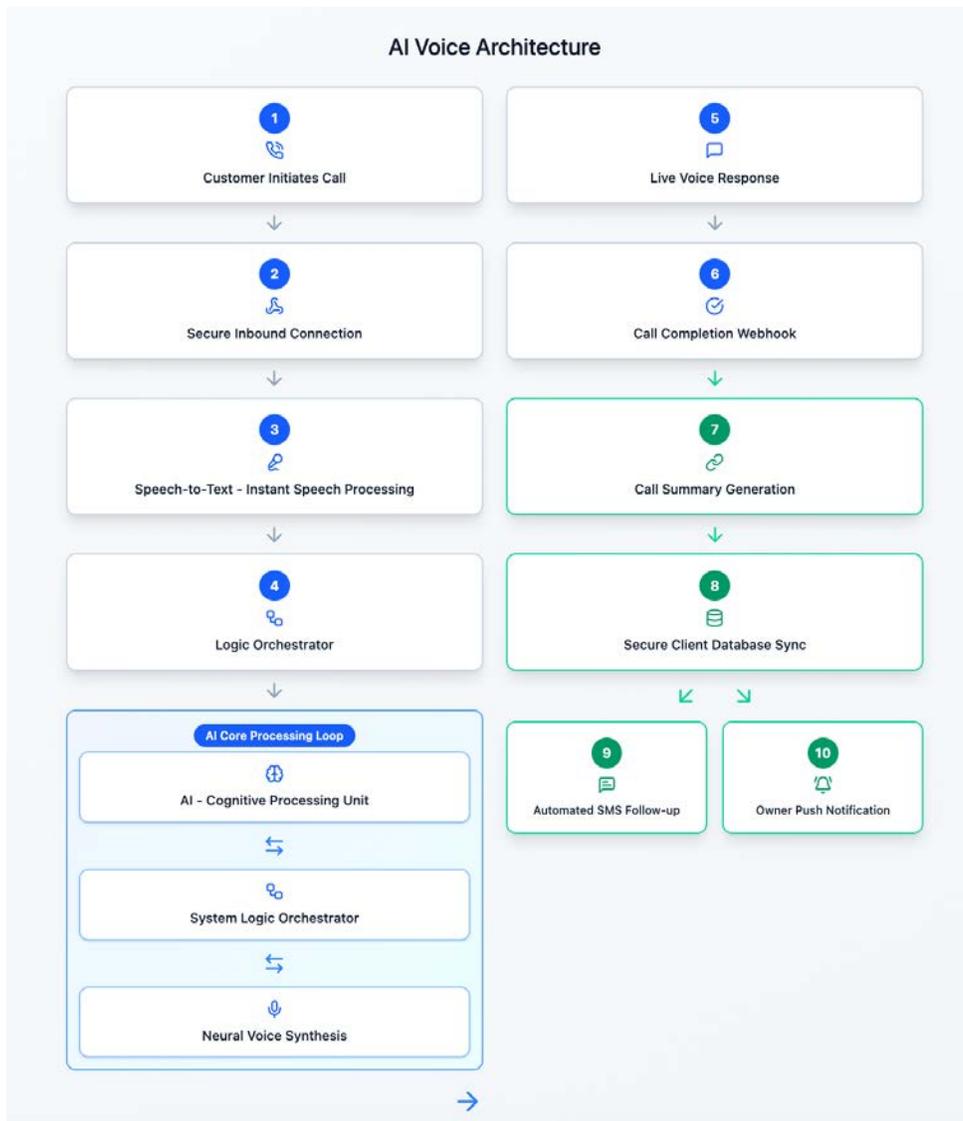

The "Hidden Leak" in Your Business

- The Stat: 62% of home service calls go unanswered.
- The Cost: If you miss just one installation a month, you're losing \$120,000+ a year.
- The Reality: Homeowners don't leave voicemails; they just call the next guy on Google.

Your New 24/7 AI Dispatcher

- Instant Response: Answers in under 2 rings, 24/7/365.
- HVAC Expert: Trained on your specific services (Furnaces, AC, Heat Pumps).
- Smart Sync: Hooks into your CRM to book jobs while you're in the field.

The Architecture of a Rescued Lead

LeadRescue AI System

Stop Losing \$10,000 Installs to Voicemail

The Math (ROI)

- System Investment: \$[Your Price] /mo
- The Result: The system pays for itself the moment it rescues one single service call.
- The Profit: Every install the AI books is pure growth you would have otherwise missed.

Beyond the Phone Call

- Review Sniper: Automatically text happy customers for 5-star Google reviews.
- Seasonal Reactivation: We'll text your database in the slow Spring/Fall to fill your calendar.
- No-Contract Trial: We prove the value before you commit.
